

DRESS REHEARSAL
MAY 21st, 2010

**ATTENTION ALL COMPANY
DANCERS:**

For all dances that have competed this year, it will not be required to dress for dress rehearsal. You will also not be required to dance those dances at rehearsal. The only dance that you will need to dance and wear costume (but no make-up) is the Production Number.

Schedule For Rehearsal For Company Dancers:

- 6:30 p.m. Some of the older Company Dancers and parents may be asked to come at this time to help with some of the recreational classes and volunteer where needed. Look for the volunteer sign up sheet in studio for rehearsal and recital.
- 7:30 p.m. If not volunteering, all dancers that are in the production will need to be there at this time. There is no way of knowing exactly when Amber will get done with all of the others, but please be there on time to keep things running smoothly. Amber may need some of the older Company kids and parents to stick around and help get things set up for the next day.

**(WE WILL DO EVERYTHING THAT WE CAN TO GET YOU
OUT OF HERE AS QUICKLY AS POSSIBLE!!)**
